

# Spreading wings...

## Why Bangalore?

Sankara Nethralaya is on the path of GROWTH.

Tele-diabetic screening camps, to help rural patients, are being conducted in Karnataka since 2005.

Now, we are embarking on building a “Centre of Clinical Excellence” in Bangalore.

## Fact File

- The centre has started functioning from June, 2008.
- The existing facility is for out-patient and tele-diabetic screening.
- By the end of this year, several other facilities would be added such as LASIK procedure, sub-speciality consultations, and performing complex vitreoretinal surgery.
- Community services would be an integral component, helping and serving VISUALLY CHALLENGED INDIVIDUALS.
